Serious Muck Fire Is Accidentally Begun By Exhaust

Wind And Drought Combine To Spread Fire Out Of Hand

The seriousness of the fire hazard on the muck lands during the dry season was demonstrated over the week end at Hillsboro Plantation, when the exhaust of a small Ford set fire to the sawgrass resulting in fire loss of the Ford, a vessel and serious damage to dikes of the Shawano Drainage District.

In the interior ditching of new lands already under the dikes of the Shawano Drainage District, the dragline operators must travel to and from the machines in the sawgrass, and this Ford became hot pulling in the soft muck and grass, some time early Saturday afternoon.

By nightfall the visible fire had begun to apparently die down, so it was allowed to simmer until Sunday morning when it again didn't look too dangerous.

Sunday afternoon the wind became shifting and strong with the result that more than 1000 acres were afire. This spread until by Monday some 2,000 acres had been burned over and dikes along more than a two mile line are being eaten away by insidious small fires.

In attempting to follow the path of the brush and muck fires ten or more tractors are being used; high pressure pumps are (Continued on Page Four)

"THINGS AIN'T SO BAD," SAYS BELL

"Ding Dong" Bell, the chief soda sifter of the Bell's Pharmacy excitedly called up to tell us, "Hold it, Luke, the World's not as bad as its painted."

We thought someone had paid a long overdue bill, but before we could ask confirmation or that thought, "Ding Dong" came back with this: "Yep, that's right, things ain't so bad after all."

A politician has kept his promise. Cocky Carlton has fixed that hole in front of my drug store. Now ain't that something to ponder?

As we remarked sometime before, a lot of nice things are going to happen to us here if political promises are kept.

DELEGATES TO STATE MEET DESIGNED BY ELKS EXALTED RULER

Exalted Ruler James Baldwin announced at the Monday night meeting of the State Convention of Florida Elks to be held in St. Petersburg May 23rd thru the 26th.

In addition to Mr. Baldwin ten other delegates from the Lodge have been elected to attend. Scheduled program for the convention is outlined on the inside page of this paper.

Reports are being received for this annual event and the Glades lodge expects to be among the top lodges of the State in support of the Mary Anna Crippled Children's Home at Umatilla.

BAKER BEATS SLEEPY; JOHN BEATS BOTH FOUR TO ONE IN THE GLADES

Though Jack Baker didn't get a vote at Brown's Farm to offset Sleepy's two, Jack did beat Sleepy throughout the County, and John put it on the back of them in the tune of 19,144 to 7,387.

Sleepy says he's still in the phlegging business and we agree. Jack is still lawyering.

The Glades gave John about 415 to 1 vote.

Tammarid Street, the Parish Hall, Delray and Belle Glade, 38-A gave John a huge majority.

Warren has served as person-

DAN CARRIES A MAJORITY IN BELLE GLADE AND THE GLADES

DAN MCCARTHY

BRADLEY ODHAM

"Dan" The Man in Belle Glade and throughout the Glades! With a total of 1,544 votes to a total of 1,825 for his three opponents in the Glades and a total of 662 against 575 for the others in Belle Glade, Dan did alright in the western part of the County. The Judge carried four precincts in the County, and Bradley Odam beat the Judge in 33 of the County's precincts; the Judge got some in all precincts except Hillsboro Plantation.

South Bay and Lake Harbor came nearer tying the McCarthy and Odam vote than any others in the County. Belle Glade's 38-A gave the Judge 91 votes to Dan's 110.

Somebody did some talk talking for the Judge in Lantana, in one Delray Beach precinct, at the Tamarid Street and Parish House voting places in West Palm Beach — what they did was done up brown.

THERE'S A SIMILARITY IN THE "AGIN" VOTES OF THREE OFFICEHOLDERS

JUDGE ROBBINS

JUDGE NEWELL

The County Judge, Criminal Judge and County Solicitor each beat his opponent better than two to one, and there's a similarity in the three totals.

Judge Robbins' opponent received a total of 7,062 votes to his 17,313; Judge Newell beat his opponent 16,778 to 7,784; while Williams beat Trammel 15,576 to 7,067. Judge Newell and Solicitor Williams were only five votes apart in opposition votes. Judge Newell has been ill recently and could not make as vigorous a campaign as normal; so he collected 728 more against than Williams.

In the Glades Judge Robbins beat Lake more than three to one; Newell beat his man more than two to one, while Williams 1 1/2 to one.

and participation is urged on all Elks. All members and friends in the Glades area are cordially invited to participate.

The annual banquet given by parents to the Band members was held Tuesday night at the County Club with around one hundred and twenty-five people attending including eighty-seven members of the band.

The banquet room had been (Continued on Page Four)

Sgt. Willis L. Warren left last week for Fort Story, Virginia to rejoin his company following a ten day leave with friends and relatives here.

Warren has served as person-

Look, Joe Stalin! Here's Americanna As It's Practiced In This Capitalistic Country

18 QUALIFIED VOTERS — 18 VOTED — ALL PRESENT AT ONE TIME, AND FINISHED VOTING BY 7:30 A. M.

Front row (on de fio): Jeff Moore and Curtis Felton.

Seated: J. W. Whitehurst (Inspector), Mrs. Lorenzo (Gene) Connell (Inspector), Mrs. Pearl Webb (clerk).

Standing (left to right): Mrs. J. W. (Geneva) Whitehurst; Mrs. V. C. (Marie) Shurley; Mrs. K. W. (Mildred) Scheidinger; Mrs. W. R. (Virgie) Adams; Mrs. Russell (Laura Beth) Sanders; Mrs. Dora B. McWhorter; Mrs. H. L. (Agnes) Johnson; Harold Johnson; Lorenzo Connell; H. H. Gilbert; V. C. Shurley (Inspector); Russell Sanders; and the leg on the right belongs to Mr. W. R. Adams.

There are a lot of records shown in this picture! All qualified voters at the precinct voted and completed the job by seven thirty, and no controlled votes.

The two negroes voted with the whites and had their picture made. Jeff, the one on the left is blushing — notice the change in color. Incidentally Connally was engineer for the Shawano Drainage District watched Jeff's pumps (Jeff is a pump attendant) while he drove a \$1500 automobile from the pump house.

blight resistance studies involving breeding. Fertility plots will also come in for discussion.

Farmers who are interested in sweet corn production in the Glades are cordially invited.

Dr. W. J. Forsee, Mr. Emilie A. Wolf, Frank Stevenson and other members of the staff at the station will conduct the studies.

Partition walls for a club room at the Legion Hall will be an accomplished fact before this week's issue of the Herald is on the streets," was the comment made by club chairman, J. B. Jones.

Votes were cast at this week's meeting of the American Legion at the use of 24 feet on the west end of the Legion Hall for a locked club room. It was decided by secret ballot to use bond money to sponsor the project which is estimated to cost \$500, instead of holding a raffle to raise the funds.

Appointed by commander Jack Rashley to install and operate the club room are: J. B. Jones, chairman, Nick Paff, N. B. Willis, Ray Wilkinson, Eddie Crosby, Homer Brooks, Woody Pierce, David Kicklighter and Walter McCarty.

That the Legion is in sound financial standing was confirmed in a report made by finance officer, N. B. Willis, who stated the balance of the mortgage to Paul Jones was paid off last month. Payments on the mortgage held by Everglades Federal Savings & Loan on Legion property are up-to-date and a cash balance in the Legion's treasury, he said.

The sale of \$16,000 worth of bonds will pay off all Legion (Continued on Page 4)

Whitehurst says "We did it" — he includes everybody who voted for him. He promises, to make it easier and easier for us to register in the Glades.

Whitlock Elected Lions President

N. Ray Whitlock was elected President for the '52-'53 term of the local Lions Club at its regular meeting on Wednesday.

Other officers elected at the same time are, F. C. Schoenfeld, 1st Vice President, E. A. Lively, 2nd Vice President, Nelson Morris Secretary, F. E. Hollingsworth Jr., Treasurer, W. S. Ingram and R. E. Hotard two directors, and C. W. McDonald one year director. Clarence J. Aspey is Lion Tamer and W. E. Carter is Lion Tail Twister.

President Close announced that the sale of articles made by the Lions Industries For The Blind of West Palm Beach, crossed a handsome return. The sale was handled by local Lion members during the voting Tuesday.

A short practice session was held for the Lions Minstrel to be given on Thursday night, May 15th.

Teenagers Night Friday from nine 'til eleven will be for grades nine to twelve.

Southern Dairies will sponsor the juke box for the Friday night Teenagers Party.

Our girls let Delray give them a shocklacking at Delray to the tune of 23 1/2 to 12 1/2. The Delray girls were on their home grounds and we are told really set down to business when preparing for one of these tournaments.

Three records were broken during the past week. Casper Van Landingham broke 70 for the first time; Bob Davis turned in a score of 79 for the first time and Logan Parrish shot a low 90.

Pro Zeiman is wearing a grin these days for the spring event he is bringing out quite a number of players.

This week the Band had a (Continued on Page 1)

showed up after the polls were closed waiting to vote. Faulty organization among the leaders is responsible for this.

"Our Fellow Georgian," as lots of folks say it, was roundly supported in the Glades, despite the County's close vote — Kefauver 11,655 to Dick's 11,626.

Some folks believe that the antipathy to Fuller and his friends and our escape from the clutches of the negro vote predominates.

Mr. Kefauver's invitation to the FEPC advocates did him a good turn also as evidenced by the votes where the negro vote predominates.

As the negro vote becomes more experienced he will be able to distinguish between the (Continued on Page 5)

"DOC" VAN LANDINGHAM RE-ELECTED PRESIDENT OF FPCA FOR 3 YEAR TERM

E. M. (Doc) Van Landingham, local cattelman, was re-elected Vice President and Director of Farmers Production Credit Association of South Florida at the Annual Stockholders meeting held April 30th, in the Dade County School, Farm, Miami, Florida. Mr. Van Landingham, as term of office is for a three year period.

Others Officers and Directors elected were: G. E. Butler, Jr., Deerfield Beach, Florida, to serve as President and Director for three year period, and Walter Peterson, Ocala, Florida as Director for a one year period.

It's Jeff's auto too, Joe, and he "ain't got no paymints on it."

Jeff says it's okay to send his picture back to Perry, Ga., for "there ain't nobody looking for me."

These eighteen voted for governor 14 McCarthy, 3 Odam and 1 for Spencer. They divided their votes in every race. Mr. Keffauver got one vote, Dick Russell fourteen.

Brown's Farm maintained its record of the first report, and it also appreciates it voting privilege — all registered voters did their duty.

Glade, but was overwhelmed by the Pahokee and Canal Point vote which seemed to fear the same treatment their candidate has been dishing out in this area.

The local vote for Jones, we believe, is a fitting tribute to the "Family Week" being recognized currently. The work of the candidates wife daily and night-

Stockers Stronger At Monday's Sale

Taking in the money at the rate of \$11.760 per hour, the local market sold 464 animals, six of them hogs, for a total of \$52,937 within four and a half hours.

The following list indicates the trend of the market for the day:

12 calves, 2315 lbs. at — \$29.52, 12 steers, 6375 lbs. at — \$27.81, 9 sters, 4430 lbs. at — \$28.25, 15 steers, 8320 lbs. at — \$27.50, 14 yearlings, 4950 lbs. at \$26.00, 5 yearlings, 2620 lbs. at \$27.00, 16 sters, 4633 lbs. at — \$26.00.

Slaughter bulls went from \$17 to \$25, cows as high as \$27 and most fat range cows from \$20 to \$24; cutters \$17 to \$20 and canners \$10 to \$15.

Slaughter calves went over \$30 occasionally with most at \$25 to \$28. A short supply of slaughter steers returned \$22 to \$24.

"As soon as necessary," says George Young, Manager, we will begin morning sales in order to avoid night selling. Notice will be given in full time before the date set.

DR. FORSEE TO DISCUSS SOIL ACIDITY-ALKALINITY

Dr. W. T. Forsee, Jr., chemist at the Everglades Experiment Station will be the speaker at the station's weekly broadcast scheduled at 11:15 a. m., Saturday over station WSWN.

He will discuss soil acidity and alkalinity and its effects on the availability of nutrient materials.

AMERICAN AS APPLE PIE

"Do we realize that in this country we are evolving a form of capitalism which is as distinctively American as apple pie?" said the president of the New York Stock Exchange in a recent address. "For within the framework of our democracy, ownership and the tools of production have gradually spread until today the owners of industry are numbered in the millions."
"In America we practice a political democracy, a democracy for the people. We are surely creating a people's capitalism, capitalism for the people."
"We at the New York Stock Exchange are convinced that when ownership of our great corporations is shared by most of our people, that ownership will cut out forever the gangrene of Socialism and Communism in America. We know that today the nation of shareholders, a nation of capitalists if you will, can be the chief strength of the system in which we live."

He told the story of a Czech engineer who made a dramatic escape from Communist oppression and is now employed by an American toy company. The engineer visited the exchange and learned with amazement that he was free to buy shares in the toy company. The man was cheered from the floor of the exchange, and in response said, "I am very glad and happy to know I can become a part of this. The Communists told us these people were our enemies and here they are cheering for us."
It is the American destiny to become a nation of capitalists. That means a nation in which economic freedom will be forever preserved, and all the other great freedoms with it.

BPW CLUB WILL NAME DELEGATES TO ST. PETE

The first meeting of the new club year was held by members of the Business and Professional Women's Club, Tuesday night at the Community Clubhouse. Mrs. Lillian Kemper presided over the business session.

As Mrs. Kemper will be unable to attend the State Convention scheduled for May 15, 16 and 17 at St. Petersburg, Miss Sara Lee Creech will take her place. She will be accompanied by two yet to be chosen delegates.

The next meeting of the club will be held May 20 at the South Bay Restaurant. Reports will be given at that time on the State Convention.

Refreshments were served to club members by Mrs. Kemper.

SERVICES ARE CONDUCTED BY PRESBYTERIAN CIRCLES

The women of the Presbyterian Church held their circle meetings Tuesday night.

Circle number one met with Mrs. L. P. Price. Mrs. Lois Ruff presided in the absence of Mrs. Helen Browning, circle chairman. Mrs. Ruff opened her meeting with a prayer.

Mrs. John Gledhill gave the Bible study on "For What Art Thou Praying," a Scripture taken from Colossians.

Mrs. Jack Whitlock who had the program space on "The Birthday Girl."

Present at the meeting were Mrs. Robert Ford, Mrs. John Williams, Mrs. Lois Ruff, Mrs. Jack Whitlock, Mrs.

27. Usually convention business sessions open on a Sunday and close on Tuesday. This year business will get under way at a Thursday session and Monday afternoon.

The St. Petersburg lodge is expecting a large delegation to attend. Hotel Soreno will be headquarters. The committee urges members to hurry in making reservations. First come will be first served.

There will be plenty of entertainment for the ladies. The program includes a gala fashion show, card party and golf tournament. There will be a buffet luncheon served by Tarpon Springs Ladies of the Elks and an open house at Clearwater BPOE Club. There will be visits to Earl Green's Wood Parade and Turner's Sunken Garden.

A men's golf tournament is on the program and so is a boat trip for all delegates.

Walter J. Abernethy, dean of the College of Business Administration, University of Florida, State president, will preside.

Grand Exalted Ruler Herbert A. Bailey, newspaperman and a former Governor Dave Sholtz, a past grand exalted ruler, will attend.

MRS. THIEBAUD INSTALLED WOMAN'S CLUB PRESIDENT

The installation of officers for the coming year was held by the Belle Glade Woman's Club at the final meeting of this season, Wednesday afternoon at the Community Clubhouse.

Leading the club this year in its activities will be Mrs. W. A. Thiebaud.

The meeting opened with the reading of the minutes of the previous year's meeting. Mrs. E. H. Humphries in the chair. She announced the County Federation would meet at Lake Worth.

Mrs. C. A. Bailey reported the cash sum of \$118.95.

The club voted to entertain the County Federation in March 1953.

Mrs. R. E. Tucker was welcomed into the group as a new member.

With Mrs. Herbert Beck as leader the retiring officers, Mrs. E. D. Humphries, president; Mrs. L. P. Price, vice president; Mrs. Frank Hobson, recording secretary; Mrs. Ralph McCreary, corresponding secretary; Mrs. C. A. Bailey, treasurer; Mrs. Guy D. Wood, Jr., parliamentarian and Mrs. J. T. Harris, auditor installed the new officers.

Following the installation of officers, Mrs. E. D. Humphries, president, presided over the business session.

Mrs. C. D. McClure, secretary, reported the club's financial statement for the year ending December 31, 1951.

Mrs. H. B. Dickson, auditor, reported the club's financial statement for the year ending December 31, 1951.

Mrs. H. B. Dickson, auditor, reported the club's financial statement for the year ending December 31, 1951.

Mrs. H. B. Dickson, auditor, reported the club's financial statement for the year ending December 31, 1951.

Mrs. H. B. Dickson, auditor, reported the club's financial statement for the year ending December 31, 1951.

Mrs. H. B. Dickson, auditor, reported the club's financial statement for the year ending December 31, 1951.

Mrs. H. B. Dickson, auditor, reported the club's financial statement for the year ending December 31, 1951.

Mrs. H. B. Dickson, auditor, reported the club's financial statement for the year ending December 31, 1951.

Mrs. H. B. Dickson, auditor, reported the club's financial statement for the year ending December 31, 1951.

Mrs. H. B. Dickson, auditor, reported the club's financial statement for the year ending December 31, 1951.

Mrs. H. B. Dickson, auditor, reported the club's financial statement for the year ending December 31, 1951.

Mrs. H. B. Dickson, auditor, reported the club's financial statement for the year ending December 31, 1951.

indebtedness, which has been reduced by \$5000, since the bond issue was voted in. Willis reported.

Total indebtedness on the Legion-owned Post Office building will be paid off in 8 years, leaving two years rent receipts amounting to approximately \$8000 to swell the Legion's treasury fund, he said.

Commander Rashley announced all Gold Star Mothers in the area will be carried to Pratt General Hospital next Sunday for a special Mother's Day program and will appear on television.

May 24th is the date set for the district meeting to be held at Okeechobee. A free barbecue will highlight the event and all Legionnaires are invited to attend, it was announced.

Failure to fertilize crops adequately during one season merely increases the need during the following season.

J. H. CHAMBLEE HOME FROM PA. HOSPITAL

Mr. and Mrs. J. H. Chamblee arrived home yesterday from Philadelphia where Mr. Chamblee received surgical care at the University of Pennsylvania Hospital.

They came by plane to Miami and were met by Mr. and Mrs. J. H. Skelton, who have been staying at the Chamblee home with the children the past two weeks.

BAND MEMBERS

(Continued from Page 1) recreated for the occasion under the supervision of Mrs. A. F. Hopson. Yellow and blue fringed crepe paper streamers floated downward from the rafters. The speakers table featured a centerpiece of blue iris and yellow calendulas in a low vertical design. Blue morning glories and yellow calendulas were entwined with fern to form a rope of flowers down the center of the table. Others tables were decorated with blue astors, blue plumbago, yellow calendulas and fern in similar fashion. The mantle was decorated with fern, blue plumbago and yellow hibiscus.

The band motif was carried out in the placecards which were figurines dressed in blue and yellow and carrying musical notes in their hands. Mrs. Hopson was assisted in her work by Miss Dorothy Bressler, Mrs. Bill Young, Mrs. G. R. Townsend, Mrs. William Gruber, Mrs. T. N. Brent, Mrs. Rose Bradcock and Mrs. Luttering Jones.

Band members and guests sat down to a dinner of fruit cup, peas, green beans, salad plate, hot rolls, iced tea, coffee and ice cream. The food was prepared by the mothers.

Toastmaster for the evening was Mr. D. G. Herring. The invocation was given by Mr. Henry Earwood.

A program of entertainment featured Hawaiian dances by Martha Brent and piano solos by Miss Elizabeth Browning following the dinner. Mr. E. A. Drake, band director gave two clarinet solos with Miss Brown serving as his accompanist at the piano.

In the awards division gold keys were presented to Jack Wilcher, Donna Norris, Jerry Barry, Betty Jean Harris and Bobby Hooker, all graduating seniors. Letters were presented to Mrs. Chris Figueroa served as general chairman for the affair and was assisted by Mrs. Thelma Norris, Mrs. William Gra-

ber, Mrs. Gladys Jones, Mrs. W. R. Hooker, Mrs. Thelma Davidson, Mrs. H. V. Draa.

HORACE MCGOURIK OF PAHOKEE DIES

Funeral services were conducted at 2 p. m. Tuesday at the Church of God, Pahokee, for Horace G. McGourik, 66, who died Sunday morning at Pahokee hospital following a heart attack.

Mr. McGourik, a pioneer Glades resident, has operated a grocery store in this area for the past 23 years.

He is survived by his wife, Agnes; one brother, Howard, and two sisters, Mrs. Luddie Lassater and Mrs. Cora Norton.

Burial was in Port Mayaca cemetery with Berry's Funeral Home in charge of arrangements.

BIRTHS

To Mr. and Mrs. Walter L. Cunningham, Jr., was born a son, Walter Leon the third, at St. Mary's Hospital on May 2. The young man weighed 8 lbs., 11 oz. at birth. Mrs. Cunningham in the former Bobbie Jackson Moody of Quittman, Ga. The paternal grandparents are Mr. and Mrs. W. L. Cunningham of Belle Glade.

ELEMENTARY SCHOOL PRESENTS MAY DAY SET TO BIG CROWD

Before a large audience of parents, friends and students, pupils of the Elementary School presented a May Day play Thursday morning, May 1, in the High School auditorium.

The program opened with a message of welcome by Mrs. J. W. Mosley, principal of the school.

Jerry Barry of the Senior High School served as announcer.

The professional which was opened by the Sixth Grade with Frankie Cridler as the Jester, making the first appearance. He was followed by Wayne Wood, as the herald. Others participating included Linda Mobley, Annie Lou Pruitt, Gwendolyn Bracewell, Larry Harris, John Johnson and Edward Humphries as attendants; Morgan Tyson, the king; Robbie Parrish, crown bearer; Susan Zumpf and Karin Huebner, flower girls; Molly Forsee, the queen.

The professional ceremonies were created and directed by Mrs. Inez Dickinson and Mrs. Kathryn Davidson, both of whom are sixth grade teachers. A piano duet entitled, "The Festival March" was played by Miss Marian Najarian and DeWitt Draa.

The first grade pupils under the direction of Mrs. Ann Gay, Mrs. Leah Barry, Mrs. Herbert Lloyd and Mrs. Emma Cassellius presented a group of health games and folk dances including "The Farmer's Seed Cycle," "Looby Lou," "Wind the Bobbin," "Clap, Clap, Bob." The second grade gave a scene depicting a farmer wedding a garden in which were growing healthy vegetables. The scene opened with a health song "Good Morning Everybody," and was followed by "Down in the Garden We Pull the Weeds." A choral reading "In My Garden," and the novelty song, "Unlucky Farmer," completed this part of the program. Second grade teachers include Mrs. Alice

Close, Miss Ruth Doody, Mrs. Francis Murray and Mrs. Rena Host.

Dressed as farmers, the third grade boys sang and danced "Oats, Peas, Beans and Barley Grow." The girls danced and sang an original song called "Happy May." They were directed by Mrs. G. W. McClure, Mrs. R. L. Murray and Mrs. Lois Ruff.

The traditional Maypole winding was the special feature of the fourth grade members who had the colored streamers winding around in three different directions, including crossweaving, weaving and the spider web. Their teachers are Miss Pat Web and Mrs. Louise Christ.

An original health song composed and dramatized was offered by Mrs. Genevieve Gove's fifth grade class. This presentation included a jug band.

Miss Jackie Barbour's fifth grade room gave a short comedy play in three scenes entitled "Look What I Found." The program closed with the singing of "May the Good Lord Bless and Keep You," by a selected group from Miss Barbour's room.

The musical arrangements were under the direction of Miss Marian Najarian.

RUSSELL CARRIES GLADES

(Continued from Page 1) misgued "do-gooder" and the official of the state who gives them a fair shake — look at John Kirk's vote in this county.

A dentist might be able to prescribe for hallucinations, but a stomach ulcer would be out of his line; why then should a soldier or a gang-chaser make a good President over a man with experience on the Bench, in the State Executive chair and Senatorial experience in legislation?

Our country needs sound thinking, we need good soldiers, good gang-chasers and a good President — let's not get the boys mixed up.

Senator Morrow beat his opponent easily carrying all precincts in the Glades.

All candidates on the county level won handily, and the Glades votes were in the right column.

Teenagers Speak

by Betty Lou Scarborough
Readers, there are times when we change the usual trend of things that we do. This week I want to convert my article into a dedication that I feel was earned by two marvelous people who through years of patience and wisdom have raised a teenager and given her every happiness a child could ever ask for. I dedicate this article to my Mom and Dad.

As we go through life, there are things that stand out more vividly in our minds than others making them unforgettable at all times. My memories will always be filled with pleasant thoughts, for who could have anything else but this kind with two Christian people for parents like mine.

We live normal everyday lives and have our troubles, disappointments, and family spats as families generally do. But these are outweighed with happiness, love, and kind words and thoughts generously donated by my parents. To me they seem to be very unusual. Why? Because they are never too busy or too interested in something else at the time to listen to my problems and help me solve them. They are always ready with a willing hand and heart to help me in some task I cannot handle myself. These and many others are the things that I will remember all my life because they meant so much to me at the time.

When I was younger I was Daddy's little girl. I played baseball and football with him and trailed him every footstep. Then in later years I became Mom's pal. She tried painstakingly to teach me to cook, be courteous, and to act like a young lady should. Today I earnestly hope these lessons were to some avail.

Now my parents have the task of living with and raising a teenager which at times can prove to be very nerve straining. I'm sure. But to my keenest knowledge they have fulfilled completely the duty that God intended for every parent to perform. They gave a life to the earth in earnest hope and prayer that it would grow physically and morally strong. These are the dreams that all parents have for their children. They have given me every advantage to make me be the kind of a person they would be proud to call their daughter. I only hope that I can fulfill their dreams for my future by being and living the role of the woman I have been taught to be.

Mom and Dad, this is my way of showing my gratitude and saying "Thanks for everything you've done."

TWO GLADES STUDENTS TO RECEIVE DEGREES AT FSU

Local seniors who will be candidates for bachelor's degrees at Graduation exercises in the Annie Pfeiffer Chapel of Florida Southern College on Monday, June 2, are Mary E. Holladay, daughter of Rev. and Mrs. Everett L. Holladay, Belle Glade, and Wella Nelle Hulse, daughter of Mr. and Mrs. W. G. Hull, Pahokee.

Miss Holladay's academic major is Elementary Education.

Miss Hull, who is a sister of Mrs. Ellis Wilkinson, Belle Glade, is majoring in French. Under the supervision of Dr. M. Spivey, president of the college for the past 27 years, is scheduled to award diplomas to 124 Florida students and 57 students from other states and several foreign countries at the 67th annual June commencement of Florida Southern.

CHILD EATING PROBLEMS DISCUSSED AT MEETING OF PRE-SCHOOL MOTHERS

Mrs. Sam Knight was hostess to members of the Pre-School Mother's group at the May meeting of the club, Thursday night, May 1.

Mrs. Emil Wolf read excerpts from a magazine article explaining the eating problem of children. A round table discussion followed.

Hostess served refreshments to John Waters, Mrs. Willard Scheffer, Mrs. E. O. Gangstad, Mrs. Victor L. Guzman, Mrs. Eugene Pennington, Mrs. Emil Wolf, Mrs. Collins, Mrs. John Winburn, Mrs. Guy Wilson and Mrs. Walter Thames, Jr.

OTHER CHURCH MEMBERS ENTERTAINED BY WSCS AT MAY DAY LUNCHEON

The women of the Methodist Church were hostesses on May Day to representatives of other local churches at a morning program of games followed by a potluck luncheon at noon.

The program of games was supervised by Mrs. Ed. Lively. Mrs. William Graber and Mrs. Rose Winne were in charge of preparations for the affair.

Prayers to the luncheon a blessing was offered by Mrs. E. L. Holladay. Representatives were present from the Baptist, Catholic and Christian Science Churches.

NEGRO NEWS

PTA COMMITTEE SCHEDULE FIFTH DISTRICT MEETING

A planning committee composed of Mr. Arthur Mays, district treasurer, PTA, Mrs. Daisy Murrell, district president, PTA, Mrs. Elizabeth Eddy, state president, PTA, Mrs. Wealthy Donahue, president, R. B. Moton PTA, Mrs. Laura Adger, civic worker, Mr. Willis Murray, teacher, R. B. Moton, Mrs. Fannette, president PTA, Belle Glade, Mr. Danville Knowles, teacher, R. B. Moton, Mr. T. Z. Rous, 2nd vice president district PTA and Mr. Robert E. Allen, publicity director met at the R. B. Moton Elementary School, of which Mrs. Elizabeth Eddy is principal on April 26, 1952 and formed plans for the Fifth District Parent Teachers Association meeting which is to be held at the R. B. Moton Elementary School, on May 24, 1952.

Robert E. Allen, publicity director, announced the theme for this meeting is: Better Human Relations for All Youth.

The program will consist of an inter-racial panel discussion, Boy Scout skits and a Socio-Drama conducted by a member of the faculty of the University of Miami.

"It is imperative that each PTA of Hendry, Palm Beach, Martin, St. Lucie, Indian River, Broward and St. Johns counties send representatives as a new district must be formed which will conform to the pattern of our District Teacher's Associations," Allen stated.

Everglades Vocational High

Senior Student Crowned

Queen of May
Annie Pearl Smith, senior student at Everglades Vocational High, was crowned Queen of May at the annual May Day Festival, held on the school campus. At the beginning of the program, the queen, her attendants and the Dade county send representatives as a new district must be formed which will conform to the pattern of our District Teacher's Associations," Allen stated.

tures of the program were aquatics, calisthenics, and the playing of the May pole.

Following the exercises, refreshments were served to the students and visitors.

Several faculty members and students from Lake Shore and East Lake Elementary School were present. Other visitors included the principal and two teachers of Roosevelt High School, and the county supervisor of Negro schools, Mr. G. Sayles, Miss O. G. McCoy, Mrs. C. Cambridge, and Mrs. Anne H. Brewer.

Eleven representatives of the E.V.H. Glee Club went to attend the third annual Music Festival, which was held on the campus of Florida A. and M. College, Tallahassee, Florida. The representatives were: Sylvia Bigelow, Thelma Wingard, Earle M. Walker, Naomi Murphy, Bernice Pompey, Christine McManis, Earnest Allen, Willis Brown, Samuel Hamilton, W. E. Davis, and Miss F. A. Payne, director.

The group appeared on the campus on Friday morning and were able to attend many of the college activities.

On Saturday morning, there were many uniformed "song birds" from all over the state. All awaited the beginning of the major Festival events. E.V.H.'s Glee Club sang three numbers: "O Rejoice Ye Christians Loudly," "Bach," "Down the Open Road," "Honey," and "Cherubim Song," Bartmansky.

The adjudicators from Florida State University, Tallahassee, Florida, recommended the group for a Division I rating, for which they are very proud. Sixth Grade Pupil Wins First Place Award.

Sarah Hill, E.V.H. pupil, won first prize for the county in the sixth grade division in the finals of the Spelling Bee Contest, held at Lake Shore Elementary School. Dennis Davis, also a pupil of E.V.H., won third prize in the third grade division. Schools participating were Carver High, Delray Beach; Bean City School, Rosemead Elementary School, South Bay, Washington Elementary, Lake Park and Everglades Vocational High School, Belle Glade, Florida.

St. Johns First Baptist Church

Mrs. Estelle M. Cooney, Reporter
Rev. J. A. Smith, Pastor
Sunday, May 4, was an exceptionally busy day for some of the members, however Sunday School opened at the usual hour with Supt. Pouncy at his post. Subject of the lesson was "Warning Against Profane Living." The lesson catechized by the Supt.

Morning services began at 11 a. m. with choir No. 1 rendering sweet songs for the worship. Rev. Adams delivered a spiritual sermon from the subject, "The Believers Interest In Another World."

Morning services began at 7:00 p. m. Again choir No. 1 rendered songs for the occasion. The consecration hymn was given Rev. E. Coffee. Following

the consecration hymn, the pastor delivered another spiritual message, theme, "My God, Why Hast Thou Forsaken Me." Pastor Adams along with other delegates will attend the Sunday School and B.Y.P.U. District Convention, which will convene in Boca Grande, Fla., May 7-11, 1952.

The "King and Queen Coronation" will be held May 12th at 8:30 p. m.

COUNTY WILL RECEIVE
RECORD DIVIDENDS

Florida's counties will receive a record dividend this spring from racing. It was assured recently with the report from the Florida State Racing Commission that horse racing had produced an all-time high of \$11,921,870—an increase of 22 percent—in state taxes for the season just closed.

Last year, each of the 67 counties received \$82,500, and this time the amount will be close to \$110,000. Final figures will not be available until the close of the greyhound racing May 31.

The four horse tracks—Hialeah, Gulfstream and Tropical in the Miami area, and Sunshine near Tampa—reported a record paid attendance of 1,552,447 and gross receipts of \$140,313,313, the largest in history for the season opening Nov. 31 and continuing through April 15.

As usual, Hialeah was the leading tax producer with \$4,605,063, followed by Gulfstream with \$3,750,535, Tropical with

\$2,583,041 and Sunshine Park with \$254,865. Of this state revenue, 82 per cent goes for old age assistance and 38 per cent is divided equally among the 67 counties.

The commission reported:

Tropical	Attendance	Handicaps
1951	1,452,447	\$2,583,041
1952	1,552,447	\$2,583,041
Sunshine	1,452,447	\$2,583,041
Gulfstream	1,452,447	\$2,583,041
Hialeah	1,452,447	\$2,583,041
TOTAL	1,552,447	\$11,921,870

Florida School District
New Permanent Residents

Tom Bailey, the state school superintendent, reports that the minimum foundation program and excellent schools are attracting many new residents to the state, perhaps are the biggest factors in bringing permanent residents. Since 1947, he said, when the minimum foundation program for state support of common schools was written into law, the eyes of the nation have turned southward to look at schools instead of bathing beauties or white sand beaches. Bailey, a candidate for reelection, took office in 1948 and generally is credited with making the minimum foundation program work.

JUNE 1 IS DEADLINE FOR
NEW FLORIDA RESIDENTS
ON HOMESTEAD EXEMPTION

Home owners who did not file for homestead exemption because they had not lived a year in Florida now have until June 1 to make application for the \$5,000 exemption. Comptroller C. M. Gay advised county tax assessors to set that deadline. The supreme court recently knocked out a 1951 law which tried to require residence of one year before a property owner could claim exemption. The court said the legislature had no power to change the constitutional guarantee.

WE'RE SMALL IN LAND
AREA AND POPULATION
BUT OWN WORLD GOODS

The American people with less than 7 per cent of the world's population and about 6 per cent of the world's land areas, produce, consume and own most of the earth's goods and services according to the research department of the Florida Farm Bureau.

The Bureau points out that Americans produce 45 per cent

The Coconut Pie Mystery

Here's a mystery that will have you asking "what dunnit?" instead of "who dunnit?" What makes this Coconut Macaroon Pie so mysterious? In the making process, something quite small and ordinary—a mixture of good ingredients: a pie shell. But during the baking process, something quite small and ordinary—something quite mysterious—comes from the top and forms a wonderful crusting macaroon layer: the rest stay "dunnit" and take into a velvety custard. What dunnit? Who cares! Just make it and serve it. It's terrific!

Coconut Macaroon Pie

1/2 recipe pie crust	2 tablespoons butter, melted
4 egg yolks	1/2 teaspoon lemon juice
1/2 cup sugar	1/4 teaspoon almond extract
1/4 cup milk	1 1/2 cups shredded coconut, cut

8 egg whites, stiffly beaten

Line a 9-inch pie pan with pastry, rolled 1/4-inch thick. Flute edge. Fill with egg yolks and beat until thick and light. Add sugar, lemon juice, and almond extract. Blend well. Fold in coconut and egg whites. Turn into pie shell. Bake in moderate oven (375° F.) 50 minutes, or until knife inserted comes out clean.

of the world's meat; 46 per cent of the electricity; 50 per cent of the copper; 60 per cent of the petroleum; 60 per cent of wheat and 65 per cent of all corn. Americans consume: 14 per cent of all food; 40 per cent of all salt; 48 per cent of coffee; 53 per cent of wool; 56 per cent of rubber and 72 per cent of silk, it adds.

Concluding its findings, the Farm Bureau says that Americans own 35 per cent of all railroads in the world; 48 per cent of all radios; 50 per cent of all gold; 60 per cent of all phones; 60 per cent of all life insurance; 85 per cent of all autos and 82 per cent of all bathtubs.

FLORIDA STILL GROWS THRU BUILDING-BOOM

New construction completed in Florida in 1951 reached \$900,700,000, the largest annual total on record.

This total expenditure for construction in Florida was 16 per cent above 1950 and 13 per cent more than the previous peak year of 1948, the Florida State Chamber of Commerce stated recently.

Private capital furnished 72 per cent, or \$586,000,000, of 1951 total. This is in strong contrast with 1948 when 88 per cent, or \$616,700,000, of the total came from private sources.

This week's business review of the State Chamber's research and industrial division itemizes the types of construction making up the 1951 total. The building of new private homes led the list with \$481,100,000, slightly below the comparable 1950 figure. Business, hotel, industrial and utility construction totaled \$134,600,000, an increase of 17 per cent over 1950. Building totaled \$19,100,000, about the same as in 1950.

Total public construction in Florida reached \$219,900,000 last year, a jump of 85 per cent over 1950. The public construction total last year was made up of \$84,900,000 for highways and streets; \$41,800,000 for public utility, hospital, school and related building; and sewer and water works construction \$19,000,000. The balance, \$74,000,000, spent from public monies, went for military and naval building, public utility, public housing, conservation and development projects.

WATCH THE SLICKER
PICTURE SALESMAN

By Melvin T. Dixon

The misfortunes of our hero veterans are again being exploited for private gain. I have received complaints from over the State that so-called art distributors are soliciting from house to house the families of our departed and missing-in-service heroes, fraudulently claiming that the Government is interested in obtaining photographs of the dead or missing veterans and that they the solicitors have been especially selected to secure their photographs and to make enlargements of them at half price. Widows, wives, mothers and other relatives of the veterans should receive such solicitations with much caution. There is no program of the Veterans Administration requiring the photographs of veterans and the Veterans Administration has not authorized any solicitation by so-called art distributors. There is much likelihood that this is a violation of the Federal Criminal Code which prohibits the soliciting of such photographs and gifts in the name of the Government.

Instances of violations should be promptly reported to local authorities. Where the Veterans Administration is being used in furthering this scheme,

al Plain station in Titton, expressed his regret in being unable to present a report on the use of Brahman bulls at the Alabama, Ga., project, but invited the breeders to come to Titton in June to inspect the station. They responded and expected to make the trip in a body via chartered bus.

Silver Spurs 1952 Midsummer Rodeo dates have been set for July 4, 5, and 6, according to Tommy Bronson, Rodeo Chairman.

They insist on
staying young!

International Trucks are engineered to stay young in spite of the toughest hauling conditions.

They are built that way because our 45 years of heavy-duty truck building experience proves it pays. That's why more than half of all the International Trucks ever built are still making money for their owners. That's why International give you the kind of young-truck performance you want.

If you are considering a new truck, why not stop in soon?

You can't beat these International pickup truck exclusives:

- Silver Diamond wheel-head engine built in the world's largest truck engine plant.
- The "roomiest" most comfortable cab on the road—the Com-Vision Cab.
- Super-steering system—more positive control, easier handling, 37° turning angle.
- Nine models... 4,200 to 8,600 lbs. GVW ratings. 6½, 8 and 9-ft. bodies. 115, 127, 134-in. wheel-bases.
- The traditional truck toughness that has kept International first in heavy-duty truck sales for 20 straight years.
- Largest exclusive truck service organization.

Model L122 with 8-ft. pickup body and AD-A-RAX stake and sideboard attachment, 127-in. wheelbase.

INTERNATIONAL TRUCKS
Standard of the Highway

for MORE WORK HOURS per gallon—
use STANDARD OIL farm fuels

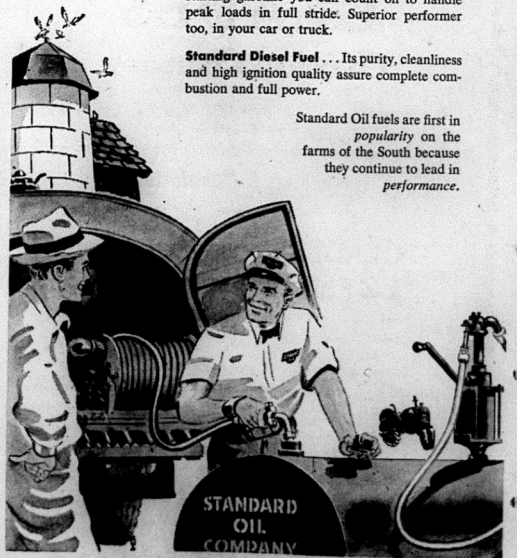

WHICHEVER type of tractor you drive, there's a uniform, clean-burning Standard Oil fuel you can depend on for maximum power at less cost per hour:

Standard Tractor Fuel... An outstanding power-packed fuel for "distillate" burning tractors. Performs smoothly, efficiently, economically.

Crown Gasoline... a high-octane, quick starting gasoline you can count on to handle peak loads in full stride. Superior performer too, in your car or truck.

Standard Diesel Fuel... Its purity, cleanliness and high ignition quality assure complete combustion and full power.

Standard Oil fuels are first in popularity on the farms of the South because they continue to lead in performance.

BETTER BE CAREFUL ABOUT ROCKING CHAIR MONEY

Deliberate fraud in seeking unemployment insurance in Florida is certain prosecution and conviction, according to a report released today by Raymond E. Barnes, Chairman of the Florida Industrial Commission.

The report shows that since the fraud investigation unit first established by the Commission in January 1950, a total of 337 fraud cases have been filed in

the courts throughout Florida. Of the 337 cases in which documentary evidence indicated fraud by jobless benefit applicants 246 convictions were obtained, 18 cases were dismissed as the defendants agreed to repay small amounts illicitly received, and 73 are still pending.

Since the operation of the investigation unit, report also points out that a total of \$80,476 has been repaid in cash. Penalties meted out to those convicted ran from a \$50 fine, the minimum penalty for one count, to 6 months in jail. Each case constitutes a fraud.

In the first quarter of 1952, January to March 31, 26 convictions were obtained, the report revealed.

OBESITY A CONCERN OF MAJORITY IN U. S. SAYS LOCAL DRUGGIST

"Sixty per cent of the people in the United States are interested in reducing either for health or reasons of appearance."

This is a statement of Mr. Humphries and Mr. Wooten, proprietors of Glades Drug Store — Rexall agents, recently in announcing the new Ann Defeldef Appetite Reducing Plan for which they are the exclusive agents in Belle Glade.

"Miss Defeldef has helped reduce more people than any other person in the United States," stated Mr. Humphries, "so she is eminently qualified to advise anyone on the problems of over weight and the beauty problems attendant to it."

The well-known Rexall druggists said the originator of this reducing plan was bringing Fifth Avenue Salon treatments into the home for the first time in reducing-treatment history. Humphries added that Miss Defeldef has a starting list of achievements to her credit, since she was the originator of charm schools in America, winner of the Fashion Academy Award as one of the ten best dressed business women in the United States on three different occasions and has years of experience in famous sanitariums working with the foremost doctors in the country, specializing in health and body conditioning.

"Many of the women of Belle Glade are probably already familiar with Miss Defeldef through her many appearances in the leading journals of the country," said Mr. Wooten. "Despite her regular schedule as teacher, dietitian, beautician, lecturer and consultant, she still maintains a tremendous pace at her

admitted age of seventy-two years. With her vivacity, which can be envied by women many years her junior, her charm and personality are the best testimonials to the Ann Defeldef Reducing Plan.

This new weight control program has now been introduced to the nation at large. Rexall Drug Company, with which Mr. Humphries and Wooten are affiliated as independent druggists, and the 10,000 drug stores associated with it, are the exclusive distributors for this new beauty and weight control through health program.

OUR BOYS STILL NEED BLOOD TO SAVE LIVES

A six-week low for blood collections was recorded during the thirtieth week of the Armed Forces Blood Donor Program, March 31 — April 6, it was announced recently by the American Red Cross and the Department of Defense.

Collectors of whole blood during the period amounted to 71,322 pints. During the week ending February 24, collection totaled 69,021 pints. All-time low was 26,617 pint for the week ending December 30, 1951. Weekly quota of 75,000 pints was set at the start of the campaign September 10, 1951, designed to reach a goal of 3,000,000 pints to fill current Red Cross requirements and build up depleted military stocks of plasma and other derivatives.

Of the 71,322 pints collected during the thirtieth week, the American Red Cross and the government blood banks obtained 61,681 pints and the Armed Forces Blood Donor Centers collected 9,634 pints.

Total donations since the beginning of the drive have amounted to almost two thirds of the end goal, or 1,986,793 pints.

All-time high in blood collections was reached during the week ending December 2, 1951, when 87,487 pints were donated.

ARMED FORCES WEEK TO BE OBSERVED IN WPB

Plans for making the observance of Armed Forces Week and National Citizenship Week in the Palm Beaches, the "greatest in recent years" were announced today by E. F. Stumpf, chairman of the Armed Forces committee sponsoring the event.

He said local civic, military, and patriotic organizations are coordinating their resources for the event. Posters proclaiming "Unity, Strength, Freedom" the slogan adopted by President Truman for the event, will be distributed throughout the business district.

Highlights of the week's activities will be a mammoth parade in downtown West Palm Beach on Saturday, May 17. The parade will be followed by an address in Flagler Park by Rear Admiral H. N. Wallin, Chief Bureau of Ships, U. S. Navy, of Washington, D. C. Throughout the day on May 17, local military units will have displays in Flagler Park. The Navy also plans to have a destroyer or submarine docked at the Port of Palm Beach.

The Air Rescue Service has notified Mr. Stumpf that it will have exhibits here originally scheduled for Bolling AFB, Washington. They will be displayed by the 215th Air Rescue Squadron which will move here about May 15 from MacDill AFB, Tampa. Because of the move, the 215th was given permission to change its exhibits to West Palm Beach.

Frank V. Bayer, chairman for the National Citizenship Week said patriotic speeches will be given during the week at county schools and civic clubs. Clyde Trammell is chairman of the speaker's bureau and the speakers will be both military and civilian.

There will also be exhibits in downtown stores during the week. Among these, Mr. Stumpf said, will be the medals and trophies won by the Palm Beach International Airport Rifle team. This exhibit will be at Halsey and Griffiths.

Local reserve units, the National Guard and Civil Air Patrol units from Louisiana and West Palm Beach will participate in the week's activities.

U. S. SUGAR COMPANY HAS RECORD YEAR

Celebrating the greatest sugar harvest in Florida history over 5,000 people gathered in Clewiston last week end to stage a huge Harvest Festival.

A King and Queen of Sugar were selected at an elaborate ceremony held at Sugarland Auditorium, while gun barbecues were held for the thousands of sugar workers, both White and Colored, whose tireless efforts in cooperating officials of the United States Sugar Corporation made possible the record-smashing year.

When this chapter of Florida sugar industry was closed and

recorded in the pages of the state's expanding agricultural history it marked a new achievement in Florida's agrarian advancement.

The record grind established this season was 1,658,847 tons of sugar cane which produced 624,321 bags of raw sugar. In addition, the mill of the United States Sugar Corporation, largest single unit of its kind in the nation, produced five million gallons of commercial molasses. The sugar cane residue known as bagasse is utilized as fuel for the electric and steam power required for the operation of the sugar plant.

Raw sugar produced in Florida is sold to the Savannah Sugar Refining Company of Savannah, and much of it returns to Florida as refined sugar under the trade name of "Dixie Crystals."

The Clewiston Sugar House processes cane from approximately 30,000 acres in the area. Plantations stretch all the way from Moore Haven around Lake Okechobee to Palm Beach County on the east. The greater part of this acreage is controlled and operated by the corporation although cane independently grown by small growers is also handled by the corporation.

Starting in November, harvesting continues on a 24-hour basis until completed in April. Cane is cut by hand and loaded onto field wagons by diesel-powered mechanical loaders. Large tractors haul trains of six field wagons coupled to railroad cars which in turn haul it to the mill for processing.

Harvesting operations throughout the vast area served by this public interest, arranged for the mill in operation. A few years ago the corporation, impressed by this public interest, arranged personally conducted tours through the mill and since that time it has achieved the rank of a major Florida attraction. No admission charge is made and visitors are welcome during established visiting hours.

That interest in the operation is high is shown by registrations kept of visitors to the mill. Last season the corporation conducted a total of 35,869 visitors through the plant, which was 3,000 more than visited the previous year.

No industrial organization is more solicitous of its employees or more alert in recognizing their service.

A feature of the recent harvest celebration was the awarding of service pins to employees, both White and Colored for loyalty and effort. Two hundred ninety-seven employees, from company officials to truck drivers and field workers were honored publicly for their outstanding service during the Harvest Festival.

General Manager H. T. Vaughn, who announced the amazing record set by this season's operation, praised every worker in the organization for their part in the 175-day operation.

He also expressed gratitude to a kind Providence that had permitted operations to continue unhampered by either freeze or hurricane damage during the production and harvesting period.

The King and Queen of Sugar were chosen by popular vote of the corporation employees and Miss Mary Jo Davidson, daughter of Mr. and Mrs. R. M. Davidson of Clewiston, was elected Queen and John L. Sullivan of Clewiston was chosen King. The Queen works in the tabulating department and the King is assistant fabrication foreman in the Sugar House.

NATIVE FLORIDIANS FEW IN FARM BUREAU PREXY

Mrs. Easter K. Erickson of Canal Point, and wives of 26 other County Farm Bureau Residents were elected to the state, according to the May issue of Florida Agriculture, out next week.

Mrs. Erickson, who before her marriage was Miss Easter Kendrick, was born in Pikeville, Kentucky.

A similar state-wide survey concerning birth dates of County Farm Bureau Presidents was announced last month.

The 26 Florida counties with out-of-state born Farm Bureau Residents' wives are: Bay (Pa.); Gadsden (Tex.); Hardee (Iowa);

Hamilton, Levy, Indian River, Highlands (Ga.); Lake, St. Lucie, and Pinellas (N. C.); Leon (Ill.); Lee (Va.); Liberty (Conn.); Martin (S. C.); Okaloosa, Palm Beach (Fla.); Polk (N. D.); Seminole (Okla.); Sarasota (Mass.); Santa Rosa, Washington (Ala.); Sumter (N. Y.); and Everglades (Ky.); Foreign born are: Dade (Jamaica); Glades, Hernando (Europe).

All others were born in Florida. A similar survey conducted last month revealed that most of the Florida County Farm Bureau Presidents, like their wives, were also born outside (Ky.); Foreign born are: Dade (Jamaica); Glades, Hernando (Europe).

LOOK... NO HANDS!!

CUTS BY ITSELF—JUST STAKE OUT!

SNAPPIN' TURTLE

THE SELF-PROPELLED ROTARY LAWN MOWER

Here is the lawn mower that cuts by itself, while you rest... just stake it out on your lawn. It has no wheels, but glides on traction rollers and skidpan. It's self-propelled. Fingertip start, stop and reverse. No pushing—just guide it, or stake it out. Climbs steep banks, cuts all kinds of grass, pulverizes clippings and mulches your lawn. No raking. Be sure to see this new idea in lawnmowers before you buy any more.

Belle Glade

SOUTH BAY BEAN CITY LAKE HARBOR

Mr. and Mrs. O'Neal Walker entertained two couples at a barbecue dinner Tuesday night honoring her sister and brother-in-law, Mr. and Mrs. J. R. Littlefield, of New York City. Other guests were Mr. and Mrs. Billy Rogers and daughter, Laura. The Littlefields are planning on vacation in Miami in the near future.

Mrs. Anna Kelley of West Palm Beach is recuperating from a recent major operation at the home of her son, Franklin W. Kelley and family.

Mr. and Mrs. Paul Jackson have moved to South Bay from Belle Glade and are occupying one of the cottages on N. E. Canal St.

J. C. Alvarez and Clyde Brown, members of the Palm Beach County Health Department, are engaged in a house to house survey of health conditions in South Bay.

Mr. and Mrs. Harvey Hodges announce the birth of a son, Robert Harvey Hodges, Jr., on April 29. Mrs. Hodges was before her marriage Miss Reba Webster of Belle Glade.

Captain and Mrs. L. O. Ratley, Jr. and family have arrived back in the States after three years with the occupation forces at Weissenbaden, Germany. They are expected here for a visit with his mother and family this week. He will be stationed in the Pentagon, Washington, D. C. on his return to duty.

Mr. and Mrs. Henry Ellers and family visited her parents, Mr. and Mrs. Fredrick Smith in Okeechobee over the week end.

J. Frank Prevatt, well known farmer and deputy sheriff of Bean City, was honored at a birthday barbecue dinner Monday evening. Guests included all residents of Bean City and many friends from neighboring communities.

Mrs. P. E. Goodbread was ill the first of the week and unable to attend to her duties as clerk at the postoffice.

Mr. and Mrs. Bobby Garrett have returned from the Phillville and have taken one of the Fisher cottages.

Mark Challancin is able to be out, but is still convalescing from a recent emergency appendectomy at the Belle Glade Hospital.

Mr. and Mrs. Jim Spivey are leaving next week for their home in Hartford, Ohio after spending the winter in South Bay.

Mrs. H. C. Willis, Mrs. I. P. Roberts, Mrs. A. N. Lamoureux attended the Home Demonstration County Council Achievement Day exhibit and program at the Court House in West Palm Beach Friday.

Mr. and Mrs. T. L. Driggers spent the week end in Fort Myers as the guests of Mr. and Mrs. Frank Land.

The American Legion Auxiliary Rummage Sale on Saturday netted the Auxiliary treasury approximately \$28.00.

The first Teen-Age Dance of the season was sponsored by the Legion Auxiliary at the Legion Hall Saturday night. There will be a second dance at the Legion Hall this Saturday night to which all young people in the community are invited.

Election board officials in the first primary at South Bay, Precinct 39 were: Mrs. G. J. Barstow, clerk, Mrs. A. B. Barnes, Mrs. H. C. Willis, Mrs. A. N. Lamoureux, Mrs. Jesse Barnes, C. A. Whitman, Sr., inspectors, S. J. Fisher deputy. The new fire station was used as the polling place.

LEGION AUXILIARY TO HAVE RUMMAGE SALE

The South Bay Legion Auxiliary met at the Legion Hall Monday evening and planned two events for the week.

Mrs. Royne Davis and Mrs. Frank Wilson were named chairmen and co-chairman to make arrangements for a Teen-age dance at the Legion Hall Saturday night to be sponsored by the Auxiliary.

A rummage sale was planned for Saturday to be conducted at the Denton-Mitchell Grocery beginning at 10 o'clock.

Mrs. J. R. Littlefield of New York City, sister of Mrs. Esther Walker, and Mrs. Albertine Turner of Blakely, Ga., aunt of Mrs. L. M. Davis, were guests

CHICKEN BARBECUE WAS HUGE SUCCESS

The barbecue chicken supper served at the South Bay school cafeteria through the joint efforts of the Lions Club and Parent Teacher Association proved a huge success.

Approximately \$450 was taken in at the supper. This amount was divided equally between the Lions Club and the P.T.A. Each group deducted their expenses and the net amount will be turned over to the general treasury.

The Lions Club furnished the chickens, part of which were donated and the remainder purchased. R. C. White, chairman of the Lions, stated that they would net approximately \$114.50.

The Parent Teachers Association furnished other items on the menu. The net proceeds will be announced at the next meeting on Monday night.

Tables were laid in the cafeteria both for adults and for children. Serving started at 6:30 and long lines of persons awaiting service formed early and continued until a late hour.

ELBERT HESTER HAS PECULIAR ACCIDENT

Elbert Hester, of Lake Harbor had the misfortune Monday afternoon to suffer a broken left arm in a peculiar accident. Mr. Hester was enroute home from his farm and stopped on the country road to talk with another farmer, the two men parking their jeep and truck in the road as they talked.

Observing the rapid approach of a truck they attempted to get their vehicles out of the main road. In doing so they collided and Mr. Hester's arm was caught between the two vehicles. They very narrowly escaped being thrown into the canal.

X-Ray's at Belle Glade Memorial Hospital showed Hester's arm fractured in the elbow requiring possible surgery. Dr. Ralph Pipes is in charge of the treatment.

J. FRANK PREVATTE CELEBRATES BIRTHDAY

Seventy-five friends gathered to do honor to J. Frank Prevatte of Bean City on his birthday Monday evening. They were entertained at a barbecue dinner.

In addition to all of Lake Harbor, out-of-town guests included Mr. and Mrs. Vernon Henderson, Mr. and Mrs. Elzie Smith of Lake Harbor, Cpl. Dugger and wife of West Palm Beach, Mr. and Mrs. Gibb Gross, Mr. and Mrs. Valton Sheffield, Mr. and Mrs. Elzie Prevatte, Mr. and Mrs. Edwin Prevatte, Mr. and Mrs. William Blackwell of Belle Glade, Rev. and Mrs. James N. Purcell of South Bay.

A negro quartet from the Arthur Wells quarters provided a program of music during the evening.

It makes each drop of gas say uncle

ACCORDING to combustion experts, there's as much energy locked in a drop of gasoline as there is in a drop of nitroglycerine.

But the problem is to put that energy to work.

So Buick engineers aren't content just to mix that drop with air and touch it off. They've designed an engine that brings it catapulting into a cylinder head where it strikes a turbo-piston—gets whipped into a churning, swirling ball of tight-packed energy.

FLORIDA TAX COLLECTIONS REVEAL 39% INCREASE '51

Floridians paid a cash total of \$514,006,933 in taxes to Uncle Sam last year.

In addition to this amount, a further sum of \$170,000,000 was estimated by the Florida State Chamber of Commerce as being paid during Florida in 1951. Thus Floridians paid into the federal till alone, 20 per cent of their income from all sources. State and local taxes are not included in these figures.

This week's business review of the State Chamber's research and industrial division lists the sum which make up the \$514,006,933 total. Individual income taxes not withheld, the heaviest paying category, amounted to \$182,380,018, up 42 per cent from 1950. Individual taxes withheld reached \$187,812,256, more by 46 per cent than during the previous year.

Corporations, paying \$80,855,688, showed an increase of 42 per cent in federal taxes paid.

I'm in trouble - or would be, if it weren't for you

When we become your insurance doctor

It's when you have a fire or an accident or some other kind of accident—that is when you need us most.

These things always come as a shock. You want someone handy and on-the-spot to help you.

You're in no condition to write a letter to some far-away insurance company. You want a friend right here, close, to attend to the handling of your insurance claim without fuss, bother or delay.

Well, we can be that friend.

HARRIS Insurance Agency

Herald Bldg. Dial 2210

Belle Glade, Fla.

Unemployment insurance collected in Florida in 1951 reached \$2,428,627, a 13 per cent increase.

Miscellaneous collections, including taxes on liquors, tobacco, jewelry, cosmetics, etc. amounted to \$70,530,344, more by 15 per cent than in 1950.

Collections in Florida in 1951 were 39 per cent above collections in 1950. The national increase was 41 per cent.

"Without exception, Florida's institutions for care of children are overcrowded, understaffed and underpaid," says a former chairman of the Florida Children's Commission.

It makes each drop of gas say uncle

When it's fired. And when that happens, a drop of gasoline certainly lets loose power.

This isn't something that happens in a "ear of the fure."

It happens in Buick Fireball 8 Engine today. It's a high-compression engine. It's a valve-in-head engine. But it's also a Fireball i performance as well as name.

And it puts extra power under the hood—and extraniles in the fuel back in the gas tank.

Now, power is great, but what goes with it?

Mister, that's something you ought to find out—and soon.

What goes with it is an automobile as sweet-handling, eager and willing as anything that ever made your pulse leap to a fast beat.

It's a car that seems to know what you want it to do—true and sure in its course on a straightaway—beautifully balanced on curves.

It's a car with Dynaflow Drive* to feed power with infinite smoothness—and a road-hugging levelness of ride that took a million in cold cash to perfect.

And it is, with all this, a very tidy bargain. Why not price it, drive it, know it for yourself? We'll be glad to arrange a demonstration.

Equipment, accessories, trim and models are subject to change without notice. Wheel Covers standard on Roadmaster, optional at extra cost on other Series. *Standard on Roadmaster, optional at extra cost on other Series.
